With more than 10 years of experience from the Internet industry, Soren Beck has worked with customers such as LEGO, Nordea, Telia and Tivoli Gardens. Soren worked in a wide range of functions from programming and design to project management and marketing and has the experience to understand the whole process of web site deployment from initial strategic planning to SEO (Search Engine Optimization).

"I worked with Soren Beck in the IT industry in the beginning of the century. Soren is an extreme individual with brilliant vision of the possibilities within the boundaries of the internet - his enthusiasm motivation and good social skills always brought Soren into the center of innovative solutions."
